Cleveland American Indian Movement

## Opening Day Demonstration

April 11<sup>th</sup> 2017 — 2:00pm

“Progressive” Field, Cleveland

E. 9th Street Gate C (100 ft. North of the Bob Feller Statue on the Grass Area)

Since 1973, Cleveland A.I.M. has repeatedly objected to the degrading, racist depictions of Native people by Cleveland Baseball by demonstrating at every Opening Day. We continue to insist that Cleveland Baseball abolish its use of the clearly bigoted, racist, shameful and exploitative “Indians” team name and the despicable “Chief Wahoo” logo. Marketing a flamboyant wrong for the sake of profit means that Cleveland's civic pride rests upon racial humiliation and degradation, not “honor”.

### *Isn't 100 years enough?*

This year we hope you will join the American Indian community, our supporters, and the Cleveland American Indian Movement in the continuing fight against racism in Cleveland.

Together we will send the message that *racism against one is racism against everyone!*
